DIRECTIVES MANAGEMENT
TRANSMITTAL SHEET**

LAPD 2314.2

January 11, 2005

CANCELLATION NOTICE

LAPD 2314.2, "Micrographics Program," dated October 6, 2004, is hereby canceled. The Research Operations, Maintenance, and Engineering (ROME) contractor has assumed all duties described in this directive. Center Operations Directorate Organizational Unit Plan provides information on facility management and services in the areas of research facility experimentation, engineering, maintenance, and contract services including computational systems and information resources.

There are no requirements for a Center directive.

Roy D. Bridges, Jr.
Director
