

Langley Research Center  
Directives Management  
Transmittal Sheet

March 2, 2010

**Material Transmitted**

---

*Cancellation package*

LPR 1280.1, Semi-Annual System Level Review of the Langley Management System (LMS)

**Summary**

---

***Reason for cancellation***

The approach for meeting ISO 9001/AS9100 requirements for LMS management review is integrated into the cross-cutting Center Governance model. No separately documented procedure is required.

***Management Representative recommendation***
