

**LMS INTERNAL ASSESSMENT
ANNUAL SCHEDULE
FY 2006**

The Annual Schedule represents a plan to ensure internal assessment of compliance to all established LMS management controls. It provides for sufficient review of all Center organizations and process areas to enable overall evaluation of the suitability and effectiveness of the Langley Management System as well as to provide the management information necessary to promote its continued improvement. In accordance with LMS-CP-2305, this plan is subject to revision based on criteria defined. *Sub-topics listed below each process area noted are identified as possible areas to be addressed; these sub-topics are not intended to be all-inclusive.* The assigned Lead Assessor will coordinate details relating to specific site visits.
